INCLEMENT WEATHER POLICY

When inclement weather impacts the normal operation of our delivery service, Glorioso's Italian Market will make every attempt to contact our guests to confirm the status of their event and notify them in a timely manner regarding any changes in our services.

During these challenging weather incidents, it is necessary for us to assess the safety of our delivery team and our delivery fleet, while giving the utmost consideration to our catering guest's orders. These conditions may include, but are not limited to; snow, ice, flooding, road closures and poor visibility. In snow conditions, roads or parking lots that have been unplowed or that require snow tires and/or chains will be considered an unsafe driving condition.

As a means of being proactive for the needs of our guests and our resources; guests may be asked to pick up their order at the store or a designated pick up location. If we are unable to deliver, and the guest cannot pick up, Glorioso's Italian Market will refund the order.
