# Glorioso's

ITALIAN MARKET

## Marinara Sauce

With its subtle sweetness and gentle hints of basil and garlic, the soft, rich flavor of all-natural tomatoes produces an unforgettable flavorful sensation.

## Meatless Sauce

The smooth, rich texture of vine ripened tomatoes combined with onions, garlic and Italian seasonings create a simple, homemade taste just like Nonna used to make.

## Meat Sauce

This original family recipe made its debut in 1946 and to this day is made from hand selected tomatoes, garlic, basil, ground beef and Italian sausage.

## Roasted Garlic Sauce

Our rich tomato sauce infused with a generous portion of roasted garlic gives this sauce a savory tang that is reminiscent of the flavors of the Old Country.

## Arrabbiata Sauce

Using all-natural, fresh ingredients, this sauce creates layers of flavor with garlic, pepper and Italian seasonings that bring a subtle, yet exhilarating heat.

## Pizza Sauce

Inspired by a trip to Rome in 1967, Glorioso's Pizza sauce has a rich, smooth texture with all the robust flavors of vine ripened tomatoes, basil and Romano cheese.
